We are ready to build a brighter future! Sponsorship partners are vital to the success of our Gala.
We hope YOU will join us!

We are hard at work planning our next signature event, **Gala for Hope 2024**, which will be held at **The View at Briarcliff on Friday, September 27th, 2024**.

We look forward to throwing a fun and glamorous party for our guests, sponsors, and esteemed honorees! For those not able to attend in person, sponsor information and silent auction participation will be available via our event website, making participating from home easy and fun.

Approximately 350 people will attend Gala for Hope in 2024. Our supporters represent a diverse community of philanthropic-minded individuals. We are proud to welcome donors, volunteers, and community leaders at the Gala. Guests will enjoy a delicious dinner, an open bar, an engaging program, and compelling video featuring the incredible work happening at Cross-Lines.

The Gala will include **Live and Silent Auctions** led by a skilled and entertaining auctioneer to raise crucial funds for Cross-Lines. While the silent bids will be mobile, the Live Auction will only be available to guests in the room!

Following the Program and Auction, guests are invited to dance the night away and enjoy cocktails from the open bar while taking in world-class live entertainment. **Sponsors will enjoy the festivities from their premium seating, making socializing and networking easy and fun!**

For over 60 years, Cross-Lines has provided programs focused on safe housing and hunger mitigation to residents of Wyandotte County. Whether someone needs a hot meal, groceries to feed their children, or help navigating safe and affordable housing, Cross-Lines consistently works to help people realize their strengths, reach their goals, and maintain their dignity.

Gala for Hope continues to be an exciting and dynamic event year after year and raises funds for our incredibly impactful programs and operations. As a sponsor, your company will display to our supporters and attendees that you care about your community and are working with us towards systemic and cultural change.
